Before you take a risk, find out what it is.

Vaccine Awareness Week November 13 - 19, 2022

Visit [NVIC.org](https://nvic.org) during Vaccine Awareness Week for newly released interviews, articles, reports and videos.

Learn

Learn about how online censorship of conversations related to COVID and the vaccine affect your right to know.

Understand

Understand why politicization of the global pandemic response is being used to devalue individual rights.

Take Action

Protect the right to make vaccine choices in your state by tracking vaccine bills and defending your freedom.

Bonus Feature

View a new short film "Safe & Effective: A Second Opinion"

Follow Us

Vaccine Awareness Week is a joint project of [NVIC.org](https://nvic.org) and [Mercola.com](https://mercola.com)
